

welcome to SIXTH GRADE

Dear Parents,

Welcome to a brand new school year! We are excited to be a part of your child's learning team. We've compiled some helpful information to get the year started. If you have any questions, please feel free to contact us.

Sincerely,
Ms. Hauenstein, Mrs. Morris, and Mrs. Rutt

Yellow Take-Home Folders

We will send home important papers, office handouts, and graded work in these folders. Please remind your sixth grader to empty his/her take-home folder each night when you sit down together.

Water Bottles

Students can fill their water bottles using the hands-free water dispensers.

Homework

Students are expected to read every night for at least 20 minutes. Classwork may become homework if work is not completed at school when ample time is given.

Absentee Work

When your child is absent please have them check Google Classroom to see what was done in each class that day. They are responsible for completing any work that was done while they were absent. See teachers for any materials you may need or questions you have.

Online Work

During the first week of school, we will familiarize students with Google Classroom and other online resources. We will use these resources throughout the year. In the event of remote learning, we will be using Google Classroom as the main platform for posting lessons and monitoring learning.

ProgressBook

You can keep up-to-date with your sixth grader's grades by checking ProgressBook on a regular basis. If you are unsure of your log in and password, please contact the office.

Newsletter

Class newsletters will be posted online bi-weekly. Please visit <http://www.southeast.k12.oh.us/applecreek/sixth-grade>.

Behavior Plan

Students are expected to monitor their own behavior. If any problems or concerns arise, we will contact you.

Birthdays

Students are allowed to bring in birthday treats for their class. Providing napkins for messy treats is appreciated. Please let us know if your child has any food allergies.
