

Week of **augUST** 29

Monday, September 5 - No School

Monday, September 12 - No School

Friday, September 16 - Interims

Monday, October 10 - Conferences

Wednesday, October 12 - Conferences

Thursday, October 14 - No School

Math homework will begin this week. Students have all week to complete the assignment. It can be turned in as soon as it is finished; no need to wait until Friday if it is done before then. Everything on the homework is review from last year. If there are struggles, parents can help and we can also provide assistance at school.

All students receive AT LEAST 15 minutes of study hall each day. Most will be able to complete their homework during that time.

We give homework strikes in fifth and sixth grade. If homework is not completed, or late, a strike will be given. Strikes may keep students from special privileges and/or goal parties, if enough are accumulated.

Upcoming Assessments

6th Grade

none

5th Grade

None
