

# First grade

# NEWS

WHAT'S HAPPENING  
12/5/22

## READING / WRITING

In reading, we are focusing on Long I and Plurals. We are reading the stories *Time to Plant* and *The Big Yucca Plant*. We are also learning about making Predictions. On the back you will find a run-down of all the things we are learning.

In Writing, we are working on informational writing. We are focusing on making sure we have capitals and correct punctuation. We are also working on using conjunctions in our writing.

Dec. Goal: 73% of the first graders will be able to increase their individual reading fluency.

## SCIENCE / SOCIAL STUDIES

We have started science and learning about plants and animals. We will be learning about what these things need to have to survive.

## CLASSROOM INFO

\*STUDENT OF THE WEEK: Jayden Tish

\*We are still taking donations for our Walmart Service Project.

\*Secret Santa envelopes will be coming home. Every item is a dollar. Please make sure to write down all the people your child is buying for so our volunteers can help make sure your child gets everything they need.
