Dear Parents,

We are writing to inform you that Apple Creek Elementary School has once again been rated “Excellent” for the 2010-2011 school year. We are extremely proud of this outstanding accomplishment. However, ACE has also been identified as in need of improvement in some areas. *School Improvement* means your school did not meet certain goals in reading for two years in a row. Even though Apple Creek Elementary is rated “Excellent” by the Ohio Department of Education, certain groups of students at the school did not meet minimum goals set by the U.S. Department of Education in reading.

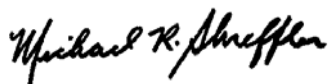

Once a school is in improvement status, parents, by law, are given a choice. Your child can attend a similar school that is not in need of improvement and the district will provide transportation. Parents have the following choice of schools: Fredericksburg Elementary School, Holmesville Elementary School, or Mount Eaton Elementary School for K-6. If you would like your child to attend one of the schools listed above, please call Apple Creek Elementary School.

If you decide to keep your child at Apple Creek Elementary, no action is needed.

Our local report card and our “Excellent” rating can be found at <http://ilrc.ode.state.oh.us/>. It also shows how well Apple Creek Elementary School did when compared with other schools.

To help Apple Creek Elementary School reach those certain goals, the district will develop a plan to assist our students in improving their reading scores for the coming year. You are invited to join us to help make that happen. Please contact Mr. Larry Tausch, 330-698-3111, if you are interested in being a part of a committee or would like more information on ways you can help.

Sincerely,

Dr. Mike Shreffler
Superintendent
