

5th Grade Newsletter

September 21 - October 2, 2020

A peek at the upcoming weeks

MATH: soea_carter@tccsa.net

~We will begin Unit 2: Whole # Place Value & Operations and our in-class checkbook activity
~We will review place value, introduce exponents and powers of 10, and learn traditional multiplication

MATH: soea_dbrugh@tccsa.net

~Start Unit 2: Whole Number Place Value and Operations
~We will introduce exponents, powers of 10, and different methods of multiplication

SCIENCE: soea_haley@tccsa.net OR soea_dbrugh@tccsa.net

We will continue to explore ecosystems. We will learn more about producers, consumers and food webs. We will investigate how energy is used to help living things survive. We will also discuss ways that living things are affected by changes that happen in ecosystems.

SOCIAL STUDIES: soea_carter@tccsa.net OR soea_rising@tccsa.net

We will continue with geography and look at regions of the western hemisphere. Regions can be determined by using various criteria: landforms, climate, population, cultural, and economic.

LANGUAGE ARTS: soea_rising@tccsa.net OR soea_haley@tccsa.net

We are heading into Unit 1 Week 3:

Essential Question - *How can experiencing nature change the way you think about it?*

Strategy - Rereading; Skill - Cause and Effect; Vocabulary Strategy - Homographs

Genre - Narrative Nonfiction; Grammar - Compound Sentences and Conjunctions;

Writing - Personal Narrative
