Reminders

Have your child
practice reading
& writing the
weekly trick
words.

Practice partial
sums by adding
100s, 10s, and 1s.

Week of: March 18-22

OUR WEEK OF learning...

Reading: Students will explore how the Earth changes. They will also identify the cause (why did it happen?) and effect (what happened?) of how the Earth is changing.

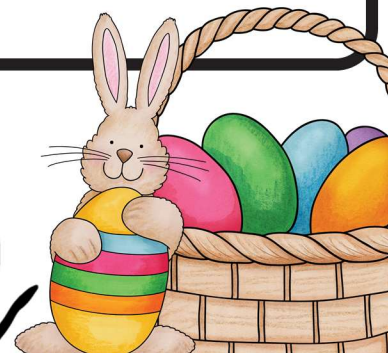

Writing: Students will write a practice final copy for their class book and then write their final copy.

Word Work: Students will be introduced to the sounds oi, oy, & learning to spell words with the spelling options. **Trick words:** favorite, ocean, early. Trick words students should be able to read & write.

Math: Students will begin identifying 3 dimensional shapes, partitioning rectangles, making a line plot over class wrist sizes, and equal groups with array number stories.

Social Studies: Students will begin to learn how human activities alter the physical environment, both positively and negatively. They will also learn how animals can make changes to the environment too.
